AFTERNOON ART / WINTER / 2012

5 CLASSES / 2:15 – 4 PM / $90

GRADES 2 – 8

Keeping track of snowfall is inspiration for our first project this session as we design and construct wooden lawn stakes complete with yard stick measurements and a wintry scene on top. Painted and coated to withstand the elements, these colorful signs will keep you smiling throughout the season!

Next, we will sand and paint wooden blocks. By adding felt, modeling compound and assorted craft materials, a variety of critters will emerge! The challenge will be in transforming a chunk of wood into something whimsical. I can't wait to see what your kids come up with!

Please return the attached registration form with a check made payable to Barbara Silverstein to the main office. A portion of your check is donated to the school. You will receive confirmation of class by Thursday, January 12. If possible, please indicate a second and third choice of afternoons. We will try to accommodate car pools and special requests when indicated on your registration form.

Thank you. We are looking forward to a great time!

Sincerely, Mrs. Silverstein
