

Afternoon Art Class –Spring 2017

Grades 2 to 8

4 Classes, 2:15-4:00

Fee \$75. All materials are included in the fee.

The final session of afternoon art is here! This spring our projects are all about nature and its wonderful “creatures”.

First the students will create colorfully wrapped chameleons and snakes using yarn and textured cording. The chameleons and snakes are original laser-cut shapes made just for our class. Next, the students will be constructing a paper sculpture on a flat surface. They will be using an acrylic paint “scraping” technique to add texture and colorful depth to their creation. Samples will be on display in the art room.

Please complete the attached registration form and return it to the main office along with your check made payable to Diane Spetrino. A portion of the fee is donated to the school. Indicate a first, second and third choice. This will help with scheduling. I will try to accommodate car pools and special requests so please indicate them on your form. You will receive confirmation of your class choice by May 5th.

Thank you!

Mrs. Spetrino
