Get ready for summer with some earthy fun creating one-of-a-kind objects working in clay. We'll use simple tools and traditional hand-building techniques as well as ways to impress texture into the clay. Color and design skills will be strengthened as we glaze our pieces. I will also bring in my wheel for a demonstration and give the kids a chance to try-it-out.

Please return this form along with your **\$80 check**, for **Peggy Davo**, to the main office by **Thursday, June 8th**. All supplies are included and firing will be done in my studio.

Confirmation will be sent via email. A portion of your check goes to the school.

Thanks!
