

September 10, 2017

Dear Parents,

Our hearts and prayers are with Catholic Schools and all those affected by Hurricane Harvey and Irma. In keeping with our mission to serve others, we have been in touch with diocesan leaders in the affected storm areas to determine their needs.

The National Catholic Education Association (NCEA) has answered this question by launching a campaign asking every Catholic School family around the country to contribute at least \$1.00 per student to help Catholic schools impacted by the storm to rebuild, reopen and re-enroll students. “Student to Student” is a powerful opportunity to engage our students in living the Gospel message of compassion, service and generosity to others.

Partnering with NCEA allows me to say confidently to you that 100% of all monies collected will go directly to dioceses in the affected areas for their Catholic schools.

We will collect donations all next week and on Friday send our donation to the NCEA. If you would like to participate, please send your donation to school with your children in an envelope marked NCEA donation. If you are sending a check make it out to Assumption School. We will be sending a single check to the Student to Student campaign.

Thank you,

Sister Merris
