

February 25, 2016

Dear Parents,

I just want to remind all of us about the Peanut/Tree nut Policy at school. We are not a nut free school – children may bring peanut butter and jelly or nutella for lunch in the cafeteria and only in the cafeteria. Morning snack, which you pack, should never consist of peanuts, tree nuts or anything containing nuts. The classrooms should always be nut free. We don't want to compromise any child's safety.

If your child has a food allergy, please pack a tin with snacks that you have chosen for them and send it into their classrooms, clearly marked with their name. When a "birthday treat" or "holiday treat" comes around they can easily go to their treats and choose one.

Many, many thanks to Carrie Daly, Margaret Foley and Kim Wesner for organizing the Teacher Appreciation Luncheon and to all of you who contributed in any way to make this a special treat for our teachers. They do work hard to help our kids be the best student and persons they can be and as always, I thank all of you for choosing Assumption to partner with you in this great endeavor.

Sincerely,

Sister Merris
