

## Afternoon Art Class – Winter 2017

Grades 2 to 8

4 Classes, 2:15-4:00

Fee \$75. All materials are included in the fee.

Afternoon Art is an opportunity for students to enjoy and explore art in small multi-age groups after school. We offer three sessions each year. Typically they are scheduled in the fall, winter and spring. Projects incorporate materials and techniques we are not able to offer during regular art class. It is a fun and creative way for students to express themselves.

Our first project will be creating snowmen, penguins or polar bears in wintery scenes within a clear dome that looks like a snow globe but without the water. We will be using Model Magic and a variety of craft materials to create the scenes. The second project will be a drawing of a night time winter landscape on fringed canvas using permanent marker and tempera washes. Samples will be on display in the art room.

Please complete the attached registration form and return it to the main office along with your check made payable to Diane Spetrino. A portion of the fee is donated to the school. Indicate a first, second and third choice. This will help with scheduling. I will try to accommodate car pools and special requests so please indicate them on your form. You will receive confirmation of your class choice by January 20<sup>th</sup>.

Thank you!

Mrs. Spetrino
