## RAISING RESILIENT GIRLS

FRELINGHUYSEN MIDDLE SCHOOL  
Morristown, NJ

7:00 – 8:30pm | WEDNESDAY April 11, 2018

**Eager to learn about the pressures that are unique to being a girl in 2018 and how you can help girls navigate these challenges with confidence?**

We invite you to join Girls Leadership’s Founder and Executive Director, Simone Marean, for her acclaimed parent education talk “Raising Resilient Girls.” As written up in Parent Magazine, Simone’s talk focuses on practical, actionable advice that you can use at home to help support the young girl or girls in your life. Her presentation covers the development of girl dynamics from pre-school through high school.

Since 1999, the national non-profit organization, Girls Leadership, has awakened thousands of girls to a new, bold definition of leadership. Co-founded by bestselling author, Rachel Simmons, Girls Leadership believes that leadership is a way of life, which begins in girlhood. We define leadership as a girl’s ability to know how she feels, say what she needs, and respond courageously to her mistakes. Girls graduate from our programs more emotionally intelligent, resilient, and confident.
