Come spend Monday after-school at Assumption creating one-of-a-kind objects working in clay. Students will learn to use simple tools and traditional hand-building techniques as well as ways to impress texture into the clay. They will also strengthen their color and design skills as we glaze our pieces.

Please return the form below, along with your check (\$65), for **Peggy Davo, to the main office by *Thursday, April 19th*.** All supplies are included and firing will be done in my studio. A portion of your check goes to the school. Thanks!
