Cub Scout Pack 34 invites your child to join Scouting. Join us as we build rockets and launch them into the air while we launch into a new year of adventure. Assumption Pack 34 is a BSA Family Scouting organization. This year we will be focusing on STEM projects, service to others, nature knowledge, team building and outdoor adventures. In Scouts, your child will have lots of fun, learn new things and make new friends. Most important of all, your Scouting adventures will create family memories that will last a lifetime.

Scouting is an adventure where you learn community service, develop character, confidence, leadership skills, communication skills and good citizenship. And so MUCH More...

Scouts BSA is a family oriented organization. Boys and Girls entering grades K – 5th are welcome to join.
