

We have been asked by the Community Soup Kitchen to help out by supplying brown bag breakfasts on Monday mornings. Beginning on Monday, November 5 Assumption School will be delivering brown bag breakfasts to the Community Soup Kitchen in Morristown each Monday. Each grade will be assigned a Monday. The Soup Kitchen supplies meals to many less fortunate who otherwise would be hungry. They are provided with a meal at lunch time and take the brown bag home. It is suggested that we provide the following:

- Small box of cereal
- Shelf stable milk
- Fruit/fruit cup
- Granola bar
- Juice box

Monday, November 5 will be Eighth Grade's turn to bring in a breakfast bag. Please have your child bring the brown bag breakfast into school on Monday morning and deposit it in the bucket in the lobby. This is a voluntary project – no one should feel obligated. Thank you.
