“Christmas is a gift of love wrapped in human flesh and tied securely with a strong promise of God.

Christmas is “glory to God”, “good will to men” and “joy to the world”.

Christmas is a man on duty tending sheep who senses the upward call and stops to worship.

Christmas is a ringing bell calling a distraught humanity to gladness and hope.

Christmas is a glowing hearth placed in the winter of man’s loneliness.

Christmas is the sparkle of anticipation and the steady light of faith in the eyes of a little child.

Christmas is the shining star of hope in the sky of all mankind”.

Dear Parents,

The teachers and I wish all of you a blessed and wonderful Christmas and a New Year filled with health and happiness. May we all remember that “long after the angels disappear into the heavens, the shepherds return to their flocks, the magi journey home and the great star sets, Jesus remains. . . . and may we allow the miracle of Christmas to continue.”

Sincerely,

Sister Merris
