

ICE AND CHRIST

Sponsor Pledges

Saint Virgil's , Notre Dame and Assumption parish religious education programs are sponsoring a "skate-a-thon" at the Mennen Sports Complex where students will raise money for Catholic Charities by completing as many laps around the ice they can during a 2 hour skating session. Students may invite witnesses to watch them skate as a way of verifying the total number of laps. On this form **we are asking sponsors to pledge a donation per lap**, depending on the skill level of each student. For example, someone who has never skated before would warrant a higher donation per lap as they would expect to complete only a few.

After the event on March 14th, the student's witness will sign the form, and the student will collect donations from their sponsors based on their results. Sponsors may donate cash or write a check to "Catholic Charities Diocese of Paterson". We will collect the donations during the last PREP classes in March and April.

WE THANK ALL SPONSORS IN ADVANCE FOR THEIR SUPPORT AND GENEROSITY!

Student Name _____

Target Number of Laps _____ Actual Number of Laps _____

Witness _____

Sponsor Name	Pledge Amount per Lap	Amount to Collect

Total Donation _____
