

October 18, 2019

Dear Parents,

We have been visited twice this week by the police who were following up on complaints that Assumption parents are parking illegally and ignoring signs that state “no parking here to corner”. They wanted to give us a chance to rectify this before they start issuing tickets.

I realize that many of you are having your kids become “walkers” so you can avoid the car line, which by the way only takes 10 minutes from start to finish. However, it is creating problems in the neighborhood and giving Assumption a bad reputation. So, I am going to try a new procedure for “walkers” starting next week.

Beginning **Wednesday, October 23**, all walkers will be dismissed from the cafeteria. You may park in the back lot and come up and wait outside the cafeteria doors. Once the buses have left the driveway we will dismiss walkers from the cafeteria and car riders as usual from the gym! Thank you, hope this works.

Sister Merris
