

**CODE OF CONDUCT
FOR
ASSUMPTION SCHOOL**

PHILOSOPHY OF ASSUMPTION SCHOOL

Assumption School prepares the new generation of Christians for a life centered in Christ by: educating the children in all academic areas, the Gospel and Catholic teachings; celebrating the Gospel in Word and Sacrament; living the Gospel by example as teachers and students. We provide our children with a faith community and a program of development which is designed to aid and complement the parents responsibilities as the primary care-givers of their children.

Based on our philosophy we feel that Christian respect and responsibility are the foundation of an Assumption School education. We hope each child will develop self-discipline as he/she matures. Each child will be held accountable for his/her actions and if necessary, appropriate disciplinary measures will follow.

Everyone has a right to feel proud about himself/herself, a right to be happy in school, and a right to a safe and secure education.

The educational experience of each student is most successful when students, parents, faculty and the principal together support the School's aims and values.

Each child is expected to be:

respectful
courteous
cooperative
responsible
honest

Unacceptable behaviors include (but are not limited to):

bullying
breach of common courtesy
dishonesty
cheating
willful disobedience
vandalism
stealing
sexist or racial remarks
buying, selling or use of drugs or alcohol
disruption of class
failure to do work
fighting

obscenity/profanity
disregard of uniform/dress code

Consequences for the above behaviors might include any one or any combination of the following:

1. teacher - student conference
2. parent communication
3. missed free time or special activities (i.e. field trips)
4. repair or replacement of damaged property
5. detention
6. suspension
7. expulsion

Assumption School is a celebration of message, community and service. We share with our children a life-giving cycle of mutual giving and receiving. We share a respect, a responsibility, and a moral obligation with the parents in allowing the child to say "I am larger, better than I thought; I did not know I held so much goodness" (Whitman).

We encourage parents to read and review this policy with their children. Please sign and return the tear-off at the bottom to school not later than **September 18, 2020**.

I have read and reviewed the Code of Conduct for Assumption School with my child.
