

September 13, 2020

Dear Parents,

Thank you for all your support and faith in us as we move into the first full week. The half day orientation days with fewer kids was a great opportunity for the kids to get orientated into a new look with new routines. I have no doubt next week will have some challenges with full days and all students but we're up for it and know we'll slowly get into a routine.

The only disaster has been dismissal. Complaints have already started from our neighbors. Please:

1. DO NOT BLOCK anyone's driveway.
2. DO NOT do U-turns in driveways.
3. DO NOT speed. I don't know how this is possible but that's what I'm told.
4. Put your name placard on your visor so it is visible to us – if you don't have one, make one.

It looks like we only have three buses so far this year. The Transportation Department will put out another survey to see if anyone else wants to use the bus. If you do, you must respond yes – only Morristown and Morris Township residents.

Starting Monday, September 14, dismissal for grades Kindergarten through Second plus siblings will park in the back playground and wait by the "cafeteria" steps and the teachers will bring your kids out to you. I suggest you arrive by 1:45 and kids will come out at 1:50 – You should be out before the car line even begins. If it turns out we can fit more cars back there, we'll go up to third grade. Give me a week or so to watch that and I'll let you know. That would shorten up the car line.

Your kids have been great! It's been so much fun to see them last week – in schoolers and remoters!! Thanks for all your help and support and for the many "Covid donations". It's been heartwarming.

Sincerely,
Sister Merris
