Dear Parents,

Hoping you are all well and holding my breath that it continues. School pictures went well and it was so nice to see so many of our remote learners. I don't think we will do traditional class pictures this year – too close for comfort! We will do a composite picture.

Thanks to all of you waiting on the car line not blocking anyone's driveway. However, some are making U-turns into what looks like an open space but is really a driveway and cutting in front of a patiently waiting Assumption parent! Please stop doing this. I have photos of this happening but I don't want to put them in the Weekly Word and embarrass anyone.

Next up . . . going into town. Given the present environment I don't think it's a great idea for kids to be roaming around town - and that's probably why I'm not a parent. However if you do allow your child/children, please, please, please speak to them about their behavior. I had several calls about the behavior of some of our students uptown last Friday. They were walking in and around "outside diners" without masks, using bad language and blasting music with not so nice song lyrics. This is certainly not the reputation I want for Assumption School and I'm pretty sure you don't want it for your family's reputation either. If they can't act responsibly, they should not be allowed uptown. Sorry I've had to write this but let's nip it in the bud before it gets worse. Thank you.

I'm sorry to say we cannot have our usual extravaganza Halloween Parade this year. We are still deciding what we can do and will let you know. Whatever it is will only be for the kids and teachers – we can't include all of you parents and again I'm sorry about that.

Thanks for all your support and kind words. I hope you are enjoying the long weekend.

Sincerely,

*Sister Merris*
