

November 8, 2020

Dear Families,

I am sad to tell you that we are closing our Aftercare Program temporarily. In this environment with more of you working from home the need for this service has decreased considerably and cannot sustain itself. Hopefully, when life as we knew it returns, we will be happy to open the Aftercare Program again. Our last day will be Friday, December 18.

Preschoolers waiting for their siblings may continue to go to Aftercare until regular dismissal.

Sincerely,

*Sister Merris*
