*“The greatest gift of Easter is hope”*

Dear Parents,

The teachers and I want to wish all of you a wonderful Easter/Spring Break.

I guess “numbers” are really up in New Jersey since we’ve even had a couple of rough weeks of exposure here at school. I hope you understand that this is why we will be remote next week – trying to keep everyone safe and healthy. I would suggest before visiting with family, you may want to go for a Covid test. Seems like we all need a little break. Please remember if you are travelling to continue to follow safety protocols to keep you and your families safe. I feel like I should quote Yogi Berra, “it ain’t over, til it’s over”! Enjoy the time off.

Don’t forget Holy Week services at Assumption Church. The schedule is in the online bulletin. Services will be live streamed at [Assumptionparish.org](http://Assumptionparish.org).

Be safe,

*Sister Merris*
