

Assumption Home and School Association Annual Fundraiser
Featuring Gift and Silent Auctions
Saturday, October 23, 2021

Dear Friend,

On behalf of the Home School Association of Assumption School, we would like to introduce ourselves and invite you to participate in our annual Fall Fundraiser. This year, we will be hosting an Oktoberfest to be held on October 23, 2021, at Assumption School. As we celebrate our school's 169th anniversary, we are grateful for the support of the community that has helped our school thrive throughout the years.

The gift auction is always a favorite part of the evening, and we depend on the generous donations of the local businesses to make the event a success. When you donate a tax-deductible item, you will receive extensive exposure for your business. You will be highlighted in the display on the night of the show, as well as in the gift auction program. All the Assumption families receive the program prior to the show and this year, the program will transition to a digital form, which will be available for anyone and everyone to view.

The proceeds from the event directly benefit Assumption students. Some of the efforts funded by past auctions include upgrades to the playground, computer purchases, installation of a video security system, and structural upgrades to the school building.

The students of Assumption School sincerely appreciate your generosity and support!
