

Assumption Home and School Association Annual Fundraiser
Featuring Gift and Silent Auctions
Saturday, October 23, 2021

Dear Friend of Assumption,

We are writing to you on behalf of Assumption School to thank you for your past support of our annual fall fundraising event and to ask for your support again this year. As you know, each year the Assumption Home and School Association holds a fall fundraiser that includes a Gift Auction and Silent Auction. This year's event, "**Oktoberfest**", will be held on Saturday, October 23, 2021, at Assumption School. In years past we have hosted over 700 women for this fun-filled evening. For 2021, we are opening the event up to couples so friends can gather together and celebrate.

Revenues from last year's evening, including the generosity of your sponsorship donation, directly benefited our students. The Home and School Association was able to purchase classroom sets of Chromebook laptops for our students. This purchase is an important step in fulfilling our technology initiative at Assumption. Funds were also used to provide training for some of our teachers who are working to integrate technology into their classrooms throughout the school year. In addition to these important programs, we have been able to renovate playgrounds, enhance our Art program, subsidize athletic programs, and provide enrichment opportunities for all of our students. Without your generosity, we would not have been able to bring these programs and improvements to our students.

We are proud to offer sponsorship opportunities again this year, and we hope we can count on your continued generous support. It would be an honor to once again welcome your company as a Diamond, Platinum, Gold, or Silver sponsor. Enclosed is additional information about our sponsorship levels for your consideration. Sponsorship paperwork should be returned by **October 1, 2021**.

Thank you for your tremendous support over the years. Know that your money is put to good use and that our children, faculty, and parents are grateful for support! If you have any questions, please do not hesitate to contact one of us.

Sincerely,

2021 Sponsor Committee
