BUS AND BOOK FORMS were sent home with students in grades K - 7 on February 10. To be eligible for transportation or aid in lieu of transportation a B6 form is to be filled out for each student attending Assumption. All pertinent information (i.e. birth date, grade level, mileage, nearest intersection, etc.) must be printed including your district Board of Education (where you pay your real estate taxes). The form requires a signature of parent or guardian. Incomplete applications will be returned by the student's resident school district.

Please return both forms to Assumption by February 17. If you do not wish bus transportation, please indicate so by writing it across the form. Anyone who does not return a bus transportation form will not be put on a bus route for September 2022 or be reimbursed. All book forms must be returned regardless if you will be returning.
