A few reminders:

If your child is experiencing symptoms or Covid-19, please test them before they return to school. We have also seen an increase in flu, strep and stomach viruses at school since we went mask-optional.

Your child(ren) must be free of fever (and not on fever reducing medication) for a full 24 hours before returning to school.

Your child(ren) must also be free of vomiting/diarrhea for a full 24 hours before returning to school.

Please make arrangements to have someone (a family member, a neighbor or

another Assumption parent) available to pick up your child, if they become sick at school.

If you have any questions, please feel free to reach out to one of the school nurses.
