- **Appointments:** If at all possible, please try to

schedule doctor and dentist appointments **after school hours**. Student check-outs during the day can be disruptive to classroom learning and instruction. Thank you for your understanding and support.

- **Tardiness Policy (Per the Diocese of Paterson School's Office):** Every effort should be made to ensure that students arrive at school on time. A consistent pattern of tardiness (five or more days in a month) would be cause to contact the Office of Child Protection and Permanency (CP&P) for educational neglect. It is understood that occasional lateness to school may occur, provided the necessary documentation and approval are obtained from the school principal.

- **Attendance Policy (Per the Diocese of Paterson School's Office):** Regular attendance and participation in classes, along with interaction between student and teacher, as well as the interaction among students in class are a vital and integral part of the learning process. Attendance is seen as a means of serving educational ends. Frequent absences from school and tardiness from school disrupts the continuity of the instructional process. Any student accumulating more than **16 absences** for the year may not be promoted unless acceptable documented evidence is presented to the school administration.

- **Parking:** Please refrain from parking in the**staff parking lot during school hours**. This area is reserved for school personnel, and unauthorized parking may interfere with daily operations. We appreciate your cooperation!
